PRIORITY

ACTION DEPARTMENT 450, INFORMATION PARIS 99.

Re DEPTTEL 449.

Believe demarche to GOS could be counter-productive. Matter would undoubtedly get bogged down in non-alignment sensitivities. Through our informal channels we have obtained and reported all information available locally on Soviet flights.

b1a5

If Department considers advisable, suggest that Embassy Paris make informal approach ASECNA. We will continue maintain and develop further contacts with ASECNA Dakar.
